QUESTIONS	ANSWERS
Question 1 Please send us details where to provide payment for tender documentation purchase in accordance with above mentioned reference or is the tender documentation free of charge?	Answer 1 Tender documentation is published on web site of Union of Municipalities of Montenegro (http://www.uom.co.me/?page_id=1507) and it is free of charge.
Question 2 We have question about allocation of funds provided for this purpose, i.e. is there any exact figure that is accurately determined for purpose of supply of equipment/vehicles for waste collection and transport?	Answer 2 Yes, there is an exact fund allocation made of EU, Government of Montenegro and Municipality of Danilovgrad resources.
Question 3 Our question is regarding your request that Tenderer must have ISO 9001 certificate. We don't have named certificate, but we are doing business through Daimler AG corporation standards, which are more advanced and higher above standard you are requesting. We are also sure that other companies in Montenegro which are in automotive business don't have this certificate. Can we prove our standards achievement with other document or it is ultimately eliminating possession of ISO 9001 certificate?	Answer 3 In this case, the tenderer must provide relevant documentation that proves that standards it is using are equivalent or higher than ISO 9001.
